Wholesale inflation falls to 4.73% in January

New Delhi, Feb 14 (IANS) The wholesale price index (WPI) based inflation for January 2023 fell to 4.73 per cent against 4.95 per cent in December 2022, according to data released by the commerce ministry on Tuesday. The fall in wholesale price inflation was owing to a decline in the rate of mineral oils, chemicals and chemical products, textiles, crude petroleum and natural gas, textiles and food products.

The wholesale inflation had fallen to 4.95 per cent in December 2022 against 6.12 per cent, which was recorded in November 2022.

The fall in WPI inflation in December 2022 too was primarily due to fall in prices of food articles, mineral oils, crude petroleum & natural gas, food products, textiles and chemicals & chemical products.

IT sleuths 'survey' BBC's Mumbai studios

Mumbai/Delhi, Feb 14 (IANS) A team of Income Tax Department sleuths carried out a 'survey' at the global media conglomerate BBC's Mumbai studios and office in Delhi on Tuesday.

The BBC studio is situated in a commercial hub near the Bandra Kurla Complex in central Mumbai where offices of several national and multinational companies are also located.

The sleuths are understood to have seized the mobiles, laptops, tablets of the staffers present there, though exact details of the investigations by the central probe agency were not

available.

A large number of media persons and photographers, besides many curious onlookers out for the lunch break, converged outside the studio building awaiting the nitty-gritties of the ITD operation inside the BBC studio. Though no insiders were available for comments, the survey of the Mumbai studio is connected with an ongoing similar operation at the BBC offices in New Delhi, which sparked off a major political furore. The Income Tax department officials reached the British Broadcasting Service (BBC) office in Delhi's

Kasturba Gandhi Marg, said the sources.

The sources also said that the team reached there to verify documents and some of the employees were also asked to leave the office and go home.

"Phones have also been seized," said the sources.

Though the reasons behind the ITD's survey or what the sleuths were looking for are not clear, it is widely suspected to be a fallout of the recent documentary 'India: The Modi Question' on the 2002 Gujarat riots aired by BBC that ruffled the Indian government.

Dalit student suicide: IIT-Bombay junks claim of 'caste discrimination' on campus

Mumbai, Feb 14 (IANS) The IIT-Bombay on Tuesday strongly refuted claims suggesting that 'discrimination' caused the death by suicide of a Final Year B.Tech. Dalit student on its campus on February 12 or allegations that it amounted to 'institutional murder'.

"Based on initial inputs from friends (of Darshan Solanki, 18), there is no indication that the student faced any such discrimination. It is wrong to make such accusations when the police are still investigating the case. Please wait for the completion of the ongoing police investigation as well as an internal investigation

by IIT-B which will be done in a time-bound manner," said an official spokesperson.

The reaction came a day after the Ambedkar Periyar Phule Study Circle-IITB (APPSC-IITB) issued a three-pager detailing alleged caste discrimination on the campus, the challenges facing students from the reserved categories, certain lapses by the IIT-B authorities and related issues, and demanding their immediate resolution.

Referring to Solanki's suicide, the APPSC-IITB termed it as 'an institutional issue', as students from non-urban, non-English speak-

ing backgrounds, oppressed castes (SC/ST) and low-income families "face immense harassment and discrimination" on the campus from students, faculties and employees.

"The IIT-B takes utmost precautions to make the campus as inclusive as possible. IIT-B has zero tolerance for any discrimination by faculty. Caste identity is never disclosed to anyone (whether students or faculty) once the admission is done," said the spokesperson.

Plus, the institution sensitizes students to not seek proxy information such as ranks in entrance exams, is-

sue strong warnings against discrimination from the time the students enter IIT-B, and while no steps can be 100 per cent effective, discrimination by students, if at all it occurs, is an exception, the IIT-B said in a strong statement.

It said that the IIT-B has taken multiple steps over the years to support and protect the mental health of the students, has an SC/ST cell where students can reach in case of any issues, including discrimination.

Besides, the IIT-B also runs an active mentor programme which reaches out to all the new students, it added.

Govt scared of criticism: Cong on BBC office tax survey

New Delhi, Feb 14 (IANS) The Congress on Tuesday termed the Income Tax department's survey operations at the BBC office as an 'act of intimidation' and said the government was scared of criticism.

Party General Secretary K.C. Venugopal said, "The I-T raid at BBC's offices reeks of desperation and shows that the Modi government is scared of criticism."

"We condemn these intimidation tactics in the harshest terms. This undemocratic and dictatorial attitude cannot go on any longer," he added.

Income Tax department officials on Tuesday conducted "survey" operations at BBC's Delhi and Mumbai office, according to sources.

The development comes weeks after the BBC released a two-part documentary titled 'India: The Modi Question' on the 2002 Gujarat riots.

According to reports, the employees of the broadcasting corporation were asked not to use their computer systems and phones, including their personal ones.

Reports quoting sources said the employees working in the afternoon shift at the BBC's Delhi office were asked to work from home, while those present in office were asked to leave early.

Editors Guild of India expresses concern over I-T surveys at BBC India offices

New Delhi, Feb 14 (IANS) The Editors Guild of India on Tuesday expressed concern over the Income Tax (I-T) surveys at BBC India offices.

"This comes soon after the release of two documentaries by the BBC, on the 2002 violence in Gujarat and the current status of the minorities in India. The documentaries stirred political waters with the government criticising the BBC for wrong and prejudiced reportage on the Gujarat violence, and attempted to ban online access and view-

ing of the films in India," it said.

The guild said that the surveys by the I-T department is in continuation of a trend of using government agencies to intimidate and harass press organisations that are critical of government policies or the ruling establishment. "In September 2021, offices of NewsClick and NewsLaundry were similarly 'surveyed' by the I-T department. In June 2021, there were surveys against Dainik Bhaskar and Bharat

Samachar. In February 2021, the ED had conducted raids at the office of NewsClick. In each case, the raids and surveys were against the backdrop of critical coverage of the government establishment by the news organisations," it added.

It said that this is a trend that undermines constitutional democracy. The Guild demanded that great care and sensitivity be shown in all such investigations so as to not undermine the rights of journalists and media organisations.

Pulwama attack anniversary: 8 killed, 7 arrested out of 19 terrorists involved

Srinagar, Feb 14 (IANS) J&K Police said on the fourth anniversary of Pulwama terror attack on Tuesday that out of 19 terrorists involved in the attack, eight were killed and seven arrested while four, including three Pakistanis are still alive.

After paying floral tributes to the martyrs of Pulwama attack at the Lethpora memorial, Vijay Kumar, Additional DGP (Kashmir) said four, including three Pakistanis are still alive, and that the security forces are after Jaish-e-Muhamma (JeM). Almost all their top commanders have been

neutralized, Kumar said.

"At present JeM has only 7-8 locals and 5-6 active Pakistanis, including Mossa Solaimani. Police are after them and they will be neutralised soon," he said, adding that the security forces are focusing on narco-terrorism and terror funding.

"We have been able to recover Rs 41 lakh, and recently in Baramulla, Rs 26 lakh have been recovered," he said while replying to a query. He said that the cases registered against the overground workers (OGWs) involved in such activities are being disposed of at a rapid pace. "The num-

ber of such cases have reduced from 1,600 in October last year to 950 at present and 13 convictions have also been made so far," he said. He further said that a total of 37 local militants are presently active and that only two among them, including Farooq Nalli and Riyaz Chatri are old while rest have joined recently. Inspector General Operations Sector CRPF, M.S. Bhatia said the situation has improved on the ground since Pulwama attack and such attacks will never happen given the measures taken by the security forces.

Mumbai, Feb 14 (IANS) Switzerland pays tribute to late legendary filmmaker Yash Chopra, saluting his contribution of having showcased Switzerland's beauty to Indians through his films.

The much-awaited Netflix docu-series, 'The Romantics', is a celebration of the legacy of Yash Chopra and its cultural impact on Indians over the past 50 years. It is set to release this Tuesday.

Remo Kaser, Director of Sales Jungfrau Railways, Switzerland, said: "The legend, Yash Chopra, has pre-

sent the beauty of Switzerland and especially the Jungfrau Region to Indians across the world for generations, through his beautiful, soulful cinema."

"Indians, who come to Jungfrauoch - Top of Europe year on year, have always spoken to us about how the romantic films of Yash Chopra have pushed them to visit the Jungfrau Region and Interlaken and make memories for a lifetime."

The Swiss authorities will celebrate Yash Chopra's legacy across the country, especially in

places where the filmmaker shot mega-hits like Darr and Chandni. His son Aditya Chopra also shot the all-time blockbuster, 'Dilwale Dulhania Le Jayenge' in Switzerland. Every Indian has been enchanted by Switzerland's snow-capped mountains, lush valleys, and pristine lakes in large part because of

Yash Chopra's films. It is said that he visited Switzerland for his honeymoon and was smitten by the country instantly. The Swiss government has continuously honoured the legendary filmmaker through the years.

In 2011, Switzerland's Jungfrau Railways inaugurated a train named after him - an honour shared only with the railway's founder, Adolf Guyer.

The train featured his signature and name on a signboard. In May 2016, a bronze statue of Yash Chopra was installed by the Switzerland govern-

ment as a tribute, near the Congress Centre in Interlaken, a popular tourist spot. At the prestigious Victoria-Jungfrau Grand Hotel & Spa, a special deluxe cinema-themed suite is named after Yash Chopra. In 2011, the filmmaker inaugurated the suite. Lake Laufenen, in the Canton of Berne, is referred to as Lake Chopra! The Swiss government honoured Yash Chopra with the title of Ambassador of Interlaken, making him the first recipient of the award. He was also bestowed the Swiss Ambassador's Award.

Japan postpones launch of new rocket due to bad weather

Tokyo, Feb 14 (IANS) Japan's space agency on Tuesday said the first launch of its new H3 rocket would be delayed again, this time due to bad weather conditions.

According to the Japan Aerospace Exploration Agency (JAXA), the scheduled maiden launch of the H3 rocket has been postponed from Wednesday to Friday morning, between 10:37 a.m. and 10:44 a.m. local time, Xinhua News Agency reported.

JAXA said the delayed launch was due to strong winds, along with cloudy and rainy conditions at the Tanegashima Space Center launch site in Kagoshima Prefecture, southwestern Japan.

The launch of the H3 rocket, Japan's successor to the H2A rocket, its previous mainstay launch vehicle, was initially planned for February 12, but pushed back to February 15, owing to a glitch in the rocket's flight system.

The rocket, jointly developed by JAXA and Mitsubishi Heavy Industries in 2014, with costs topping 200 billion yen (1.51 billion US dollars), was set to carry an earth observation satellite called DAICHI-3. The new rocket can carry a payload roughly 30 per cent heavier than its predecessor, with launches estimated to cost 50 per cent less.

The DAICHI-3 earth observation satellite is purported to be used to assist in disaster management situations.

PUTIN'S BLOODBATH

It is one of the heaviest military losses in a single battle since the start of the war - Ukrainian officials are claiming that one marine brigade of 5,000 Russians has been almost entirely destroyed in failed attempts to seize the Donetsk hamlet of Vuhledar. The carnage - and loss of at least 130 armoured vehicles (centre) - led Russian hardliners to call for public show trials to punish incompetent generals responsible for the repeated battlefield massacres of their soldiers. 'Some of them are complete cretins - all the mistakes that were made before were repeated,' said Igor Girkin, a Russian former intelligence officer. He complained that Russian soldiers were mown down 'like turkeys in a shooting range' as Ukrainians held higher positions. Ukrainian military drones have filmed Russian tanks driving into minefields, bombs dropped on armoured vehicles, troops running around in panic and the bodies of soldiers strewn across the ground. 'This is not even Russian roulette anymore - this is like seasonal suicide of lemmings,' one Ukrainian military analyst commented.

One killed after 18-wheeler truck hits train in Texas

Houston, Feb 14 (IANS) An 18-wheeler truck slammed into a train, killing the truck driver and causing derailment near Splendora, US state of Texas, authorities said. More than a dozen of train cars derailed in the incident that took place on Monday, according to the fire department. The accident did not pose a threat to the public since the train was hauling non-toxic household goods, said a report from local media outlet Fox26 Houston, Xinhua News Agency reported. Splendora Police Department said the train was heading south when the truck crossed the tracks and was hit.
